F2 Bb6 F2 Gm7 C13

May we always look to You  
Or we'll never get it right  
We are weak but Thou art might  
Help us make it through this life  
Help us make it through this life

For Your face is holy  
And Your guidance true  
May we always look to You  
So one day we come to You.

May we always look to You  
Guide us through this narrow path  
So the day we reach Your place  
We will gaze in Your embrace  
We will gaze in Your embrace

For Your face is holy  
And Your guidance true  
May we always look to You  
So one day we come to You

For Your face is Holy  
And Your guidance true  
May we always look to You  
So one day we come to You
