Opening Prayer

1. Oh Jesus I give You my All

Oh Jesus I give You my Heart, protect it as only You know how
Allow me to understand Your will, and give me the courage to obey
Oh Jesus I give You my Heart

Oh Jesus I give You my Will, forgive me for all my past mistakes
I ask You to guide me from now on, in all the decisions I will make
Oh Jesus I give You my Will

Oh Jesus I give You my Song, I ask You to sanctify my lips
That only Your praises I proclaim, and worship You only with my heart
Oh Jesus I give You my Song

Oh Jesus I give You my Life, it's only through You I will survive
Without You I struggle but in vain, and only in You my heart finds rest
Oh Jesus I give You my Life

Oh Jesus I give You my All, my Heart and my Will and my Song
My Life is worth living but through You, and only in You my heart rejoices
Oh Jesus I give You my All, Oh Jesus I give You my All.

2. May I be your Faithful Steward

May I be your Faithful Steward, of the gifts you've given me;
May I share with all your people, so your light will shine through me.

Lord make me a mirror that reflects your light;
Let them see Jesus when they look at me,
Let them hear Jesus when they talk to me
Make me a mirror that reflects your peace.

Let me share my time and treasure, with the ones you send my way;
May I always seek your Guidance, so your light will shine through me.

Lord make me a mirror.....

Help me walk in your footsteps, be your hands and feet to all;
May I be your faithful Steward, so your light will shine through me.

Lord make me a mirror.....

3. Thank You My Dear

For the times I did not seek your Guidance, Forgive me Lord,
And for the times I failed to trust in you Lord,
And did things my own way,
I thought I could do it all on my own, Oh how I failed, when I look back.

When I acted without consulting you Lord, My failures exceeded my gains.
And with all the precautions I used to take,
I still made more mistakes.
It did not matter how careful I was. Oh how I failed, things had to change,
I had to change.

But You are Kind and Merciful Lord,
You waited for me and showered me with Your Grace.
And now You grant me Your Wisdom Lord, Each time I ask for Your help.
Your way is better Lord and only You know what's best.
I want to change, show me Your way, I have to change.

So let it be done to me Lord, Let it be done according to your will.
You always lead me to Freedom Lord, When I surrender my will.
Your healing power has rendered me free.
Oh what a gift, Holy and Free, Thank you my King,
Thank you my Dear.

4. May we always look to You

May we always look to You, for without You we are lost
You're the Way the Truth the Life, help us seek You all the while...
Help us seek You all the while...

For Your Face is Holy, and Your Guidance True
May we always look to You, so one day we come to You.

May we always look to You, or we'll never get it right
We are weak but Thou art might, help us make it through this life...
Help us make it through this life...

For Your Face is Holy.....

May we always look to You, guide us through this narrow path
So the day we reach Your place, we will gaze in Your embrace...
We will gaze in Your embrace...

For Your Face is Holy.....

For Your Face is Holy.....

5. Help Us Be Our Best For You

Help us be our best for You. We need You to show us how
On our own we go astray. With Your help we will prevail.

Refrain In Your image You created us....
 But our pride keeps us away....
 Your redemption is what saves us.....
 If we humbly seek Your way....

Help us be our best for You. Show us how to make good use
Of the talents that You grant us. May they bring us close to You. Refrain

Help us be our best for You. By the deeds we kindly give
To our neighbour who needs comfort. Just as much as we need You. Refrain

Help us be our best for You. May we take to heart Your call
To deny ourselves and seek You. Pick our cross and follow You. Refrain

Help us be our best for You. Love our neighbour as You do \
So the day you call us near You, We at last will rest in You / X 2

6. This Is Our Faith

In the beginning God created the earth, and it was very good.
The air was pure, the water was clean and all food good to eat.
Then man strayed away from God and disobeyed His rules.
The wars prevail and famine looms and sin destroyed the earth.
But in His mercy God forgave and sent His only Son.

For God so loved the world that He gave His only Son,
That whoever believes in Him will have eternal life.
For God so loved the world that He gave His only Son,
That whoever believes in Him will not perish, but will have eternal life.

7. Come And Stay In My Heart

Come Heavenly Father, come into my heart
Come Heavenly Father, my heart is open to You.
Come Heavenly Father, my heart is open for You
Come Heavenly Father, come and stay in my heart. Come and stay in my heart.

Come my dear Lord Jesus, come into my heart
Come my dear Lord Jesus, my heart is open to You.
Come my dear Lord Jesus, my heart is open for You
Come my dear Lord Jesus, come and stay in my heart. Come and stay in my heart.

Come most Holy Spirit, come into my heart
Come most Holy Spirit, my heart is open to You.
Come most Holy Spirit, my heart is open for You
Come most Holy Spirit, come and stay in my heart. Come and stay in my heart,
Come and stay in my heart.

8. Why Me Lord

What have You seen in me Father. You count me worthy of Your love
Your Grace alone is what has saved me, and I'm so grateful You've chosen me
I want to praise You forevermore.

My dear Lord Jesus my Redeemer. Without Your Love I would be lost
Your Cross has given me a new life, and now You count me as Your own
Oh let me praise You forevermore.

Oh Holy Spirit source of Guidance. You're full of Knowledge, Strength and Might
Show me Your will and how to follow, and grant me courage to obey
I want to praise You forevermore, Oh let me praise You forevermore
So let me praise You forevermore.

9. Turmoil Ends With Faith In You

If God is with us, who shall be against
This is Your promise Lord, this is our faith.
Thou evil surrounds us, Your love will prevail
Your Spirit will guide us, to stay in your path.
Your Spirit will guide us, to stay in your path.

Refrain Turmoil ends with faith in You.
 This is Your promise, this is our faith.
 As chaos enfold us, Your refuge will save.
 Your Cross is what saves us just like Noah's Ark
 With You as our captain, we are in good hands.

Without You our living, is chaos and pain
With less moral values, and culture of death.
Wars and food crises, the result of our greed
But in spite realities, we know that You'll win.
But in spite realities, we know that You'll win. Refrain

We need you to guide us, to focus on You
Your Spirit will strengthen us, in all we believe.
That You are the only Way, the Truth and the Life
Just like Noah's family, we won't miss the Ark.
Just like Noah's family, we won't miss the Ark. Refrain

Closing Prayer

Praise you Jesus, You are my God the Almighty
Praise you Jesus, You are Lord of lords
Praise you Jesus, You are the King of kings
Praise you Jesus, You are my Saviour
Praise you Jesus, You are my Redeemer
Praise you Jesus, You are my Joy
Praise you Jesus, You are my Strength
Praise you Jesus, You are the Prince of Peace
Praise you Jesus, You are the Beginning and the End.

May all Praise and Worship be In the name of the Father,
And of the Son and of the Holy Ghost. AMEN.
