Verse 2

Where can I run from Your love
If I climb to the heavens You are there
If I fly to the sunrise or sail beyond the sea
Still I'd find You there.

Verse 3

You know my heart and its ways
You who formed me before I was born
In secret of darkness before I saw the sun
In my mother's womb

Marvelous to me are Your works
How profound are your thoughts, my Lord
Even if I could count them, they'd number as the stars
You would still be there
